WHEREAS, Developer is desirous of placing certain restrictions, conditions and reservations (hereinafter collectively referred to as "restrictions") upon the above described property in accordance with a general scheme or plan in order (a) to protect the owners of each lot against improper use of surrounding lots as will depreciate the value of the property, (b) to preserve, as far as practicable, the natural beauty of each lot, (c) to insure the creation of attractive, well designed, properly proportioned and appropriate homes of suitable materials with appropriate locations on said lots, (d) to insure proper building setbacks from street and lot lines, (e) to provide adequate free space between structures, and (f) in general, to assure the best and most appropriate development, improvement and maintenance of the subdivision and each lot therein:

Each of the undersigned, developer and future lot owner, are and shall be members of the Association, and bind themselves and their respective heirs, personal representatives, successors and assigns to pay to the association an annual general assessment or charge as herein described. Such assessment, together with interest thereon, and the cost of collection thereof, shall be a charge and lien on each lot and shall be continuing lien of the lot against which each such assessment becomes due. The developer shall be exempt from any payment of POA dues or assessments on Developer owned lots or lots acquired by foreclosure or repossession. Developer may choose to make donations to POA but is in no way obligated to do so.

The first annual general assessment of \$100.00 per lot shall be paid in advance on the day of closing, and then January 1st each succeeding year thereafter. The Property owner's association at their first and subsequent annual meetings shall have the right to collect annual assessments on a pro-rated basis to establish an annual payment date for all lot owners. Each subdivision lot will be assessed the same amount. Owners of contiguous lots that are not used as a residence may pay 50% of POA general annual assessment as long as lot is unoccupied.

The general assessment levied by the Association annually will be used exclusively for the use, maintenance and operation of the areas and things described above, and such other expenses related thereto, including, but not limited to, utility bills and landscaping expenses.

Each lot in the subdivision shall represent one vote. If a lot is owned by more than one person, only one vote may be cast. If one person owns more than one lot in the subdivision, such person shall have a vote for each lot.

The Directors of the Association shall, by a majority vote, recommend the amount of annual assessment and shall submit the same to the lot owners for approval. If the amount recommended does not exceed a total annual assessment of \$200.00, such recommendation will become effective upon the affirmative vote of a majority of the lot owners. If the amount recommended exceeds a total annual assessment of \$200.00, then an affirmative vote of 75% of the lot owners shall be required to establish such an increase. If the recommended annual assessment is not adopted prior to January 1<sup>st</sup> of any year, then the annual assessment shall remain for that year the same as the previous year.

Upon full payment of all amounts secured by the lien the party making payment shall be entitled to a recordable satisfaction of lien.

Upon and voluntary conveyance of a lot, the Grantor and the Grantee of such lot shall be jointly and severally liable for all unpaid assessments pertaining to such lot, duly made by the Association of accrued up to the date of such conveyance, without prejudice to the right of the Grantee to recover from the Grantor any amounts paid by the Grantee, but the Grantee shall be exclusively liable for those accruing while he is the lot owner.

Any lot owner or any purchaser of a lot prior to completion of a voluntary sale, may require from the Association a certification showing the amount of unpaid assessments pertaining to such lot, and the Association shall provide such certification within (15) days after request therefore. The holder of a mortgage or other lien on any lot may request a similar certificate with respect to such lot. Any person other than the lot owner at the time of issuance of any such certificate, who relies upon such certificate, shall be limited to the amount set forth in such certificate.

If the total assessment is not paid within thirty (30) days after the due date, then there shall be added thereto:

- (i) A late payment charge of \$30.00; and
- (ii) The balance remaining due shall bear interest from the due date at the rate of ten (10%) percent per annum.

The association may bring an action at law against the owner personally obligated to pay the same or may foreclose the lien created against the property by the terms of this document, in accordance with the statutory provisions of the laws of Alabama then in effect for the foreclosure of a mortgage. A money judgment for unpaid assessments may be taken without waiving the lien securing the same.

18. No lot shall be conveyed, devised, leased or demised at any time hereafter except as being subject to the covenants, terms, conditions, restrictions, and limitations, herein contained, and the obligation to observe and perform the same; and whether or not it be so expressed in the deeds or other instrument of conveyance of the property, the same shall be absolutely subject to the covenants, terms, conditions, restrictions and limitations herein contained, which shall run with and be appurtenant to the land and every part thereof, as fully as if expressly contained in proper and obligatory covenants or conditions in each and every contract and conveyance of, or concerning any part of the land or the improvements to be made thereon.

**19. Each property owner and future property owner acknowledges that the Mobile area is subject to approximately 60 inches of rain per year and hence this Subdivision and each lot therein is subject to heavy rainfall and surface waters flowing across said lots as a result of such rainfall. Each future owner or owners of any lot in DEER LANDING SUBDIVISION acknowledges that the Developer has complied with all subdivision requirements of the County of Mobile. Each property owner understands that the paved access easement as shown on plat has no underground drainage or ditches and each property owner will be responsible for individual lot grading, landscaping, and erosion control and agrees to release, indemnify, and hold harmless the developer and its realtors from any water drainage from street or adjoining property onto their lot.**

Each owner or future lot owner of any lot in DEER LANDING SUBDIVISION, by the acceptance of a deed subject to these restrictions, does herewith concur, consent and agree that the Developer's compliance with such subdivision requirements constitutes the exercise of reasonable care.

20. Should any future owner or owners of any lot or lots within DEER LANDING SUBDIVISION or any of their heirs, executors, administrators or assigns, violate or attempt to violate any of covenants, terms, conditions, restrictions, and/or limitations herein contained, any person or persons owning any real property situated in said Subdivision may prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate the same, to prevent such person or persons from so doing, or to recover damages for such violations or attempted violations.

21. The Developer herein expressly reserves unto itself the sole and unilateral right to amend, modify, change, cancel or annul such covenants, limitations and restrictions in whole or in part, at any time during the term of same as existing, or as may be amended, modified, changed, cancelled or annulled in accordance with the foregoing reservation. Such action on the part of the Developer is to be evidenced by an instrument executed by a duly authorized agent of Developer and recorded in the office of the Judge of Probate, Mobile County, Alabama.

It is reserved and stipulated herein that such actions may be taken by Developer in accordance with the foregoing authority and power, may result in any, all or part of any covenant, restriction or limitation as existing or as may be amended or changed, being either more or less restrictive or burdensome than the foregoing covenants, restrictions or limitations contained herein.

No action on the part of the Developer pursued in accordance with the foregoing reserved authority shall place an additional restriction or limitation on a specific lot previously conveyed by Developer, unless the then owner of same shall consent thereto by joining in said instrument, or by execution such other instrument as will properly evidence owner's consent, the same being subsequently recorded as set forth hereinabove.

22. TERM: The foregoing restrictions shall run with the land and shall be binding on all lot owners, or upon all parties and persons claiming under or through them, each of whom shall, by virtue of his acceptance of acquisition of title or other interest, accept and agree to be bound by and to abide by all terms and provisions of this instrument, all of which shall be and remain in full force and effect until January 1, 2042. After which time said restriction shall automatically be extended for successive periods of ten years unless amended pursuant to paragraph 17.

23. ENFORCEMENT: If any person or persons shall violate or attempt to violate any of the restrictions contained herein, it shall be lawful for the developer or any party owning any real property situated in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such restriction and either to prevent him or them from so doing and to recover damages, which shall include a reasonable attorney's fees, for such violation. Neither the Developer nor its employees, agent or assigns or any of its partners or their representative, heirs, personal representatives, successors and assigns (jointly referred to as Developer) shall be liable to any lot owner or lot owners in DEER LANDING SUBDIVISION for the manner in which the Developer exercises, or for its failure or refusal to exercise, any right or authority herein granted to Developer whether discretionary or not; for the failure or refusal of any lot owner to comply with any of the provisions hereof; or the failure or refusal of the Developer to enforce any of the provisions hereof against any lot owner.

24. SEVERABILITY: Invalidation of any one of the covenants by judgment or court order shall in no wise effect any of the other provisions which shall be and remain in full force and effect.

25. UTILITY CONNECTIONS: Each lot owner must enter into a contract with utility companies for utility connections and service. All connection fees are the responsibility of the lot owner.

IN WITNESS WHEREOF, DEER LANDING SUBDIVISION has caused this instrument to be executed in its name and on its behalf by its officers thereunto duly authorized on the date set out in the acknowledgement below.
