HOME/PROPERTY OWNERS ASSOCIATION

I/We understand that there may be an active HOA/POA in the neighborhood that I am purchasing property. I/We understand that until the majority of the lots are sold, the developer will be managing any existing HOA/POA as its Charter President. In the case of an existing HOA/POA, the developer's office admin will be collecting the Dues on an annual basis. These Dues are NOT optional, and by purchasing property within this neighborhood I/we automatically become a member. Unpaid Dues will result in a Lien being placed by the HOA/POA, until Dues are brought current, including any late fees or penalties.

Yes → I/We Understand and Agree _____ (Initial) _____ (Initial) _____

PROPERTY TAXES

I/We understand that by purchasing property in Mobile/Baldwin County, I will be required to pay the County Revenue Commissioner annual property taxes. Property taxes are NOT optional, and it will be stated in your deed that it is a requirement to pay your annual property taxes on-time each year; or you will be in default, which can result in an additional lien being placed against you, or possible foreclosure/eviction. The Revenue Commissioner bills annually around October 1st. Payment is due BY December 31st each year and is considered late January 1st each year. Since you are requesting financing with us, we as your lien holder, have a superior financial interest in ensuring your taxes are paid to protect our security interest, preventing the Revenue Commissioner from selling the property for back taxes. As such, we do not approve or condone a financed buyer to delay paying property taxes until after January 1st or until just prior of the County Revenue Commissioner's annual auction date. Property Taxes MUST be paid BY December 31st each year.
